

Reaching Men Inside And Outside Of The Church With The Gospel!

Jamie Holden
AG US Missionary Associate

Dear Friends,

Happy Spring! I am so ready for the warmth of Spring and Summer! April is always a bitter sweet month for me because it means we are wrapping up our conferences until the Fall. I say bittersweet because it is always great to look at how much God has done in the new season of Mantours, but it's also a little sad because I LOVE holding the conferences. But soon we will flip the switch and start planning for 2020, while traveling to churches speaking on weekends, beginning to visit prisons, writing a new book, and so much more!

We started off the month of March at the Altoona PA Mantour. We had a great turnout of men from more churches participating than we have had in the past with this event. The men were so enthusiastic to be there. Pastor Del Smith brought a powerful message that challenged the men, and the men really responded to the word. It was a fun day with a great group of guys.

Next we headed to Lewisburg, PA for our Northcentral PA Mantour. We had double the attendance this year from last year! I was the main session speaker at this event, and we had a great altar response to my message.

We had one man respond to the altar call who was a former Marine who had just moved to the area. Unfortunately he experienced some racism from some people in the community, and he withdrew inside himself and never opened up to the people at church. But during the altar time, he came forward for prayer, and experienced a new level of freedom. His Pastor told me the man opened up to him on the van ride home for the first time since they met. It was a new beginning as he chose to overcome his mountain.

The next week was the Central PA Mantour, and it turned out to be a personal victory for me. We had our largest turnout yet at this event, and every man was so engaged. But behind the scenes a lot was happening.

Fifteen minutes before the Mantour started, I received a call from our Main Session Speaker saying he wasn't going to be able to make it. I immediately had to switch gears and figure out what to do.

I have never spoken at the Central Pa Mantour because each year my father attends this conference, and I don't want to make him uncomfortable. But this turn of events meant I was going to have to lead the main session. I quickly retooled my message to focus on how my biggest mountain of fear was affected by physical issues instead of the abuse angle. But God gave me grace and it went amazingly well. And most importantly, we had a big response around the altar. Personally, the Holy Spirit proved to me once again that through His power we really are Invincible.

I will share one quick testimony with you from this event. We were in between sessions when one of the pastors pointed out a man to me. He said, "Do you see that man there? A few years ago he accepted Jesus as His Savior at a Mantour Conference. Since then, he's been married, gotten involved in the church, and turned his life around. Every year he asks, 'When is the Mantour Conference?' He is fruit of your ministry".

I want to let you know that he is really the fruit of your financial support. This man's life is just one example of the lives that we are seeing changed through the Mantour Conferences. His life and many others are the dividend from the investment of prayers, partnership, and your giving.

After the Central PA Mantour, we had a weeks break from the conferences, which allowed me to finish laying out the interior and cover design for Adessa's new book which she is releasing in April. I also was able to film, edit, and produce 8 promo videos for this new book, as well as attend a few meetings and even get the car maintenance and inspection done. We may not have been doing a conference that week, but we were as busy as ever!

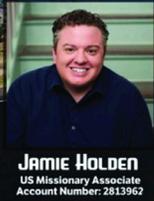

Now we are prepping for our final two conferences. As soon as I finish writing this newsletter, I have to pack for the Greater Philadelphia PA Mantour this weekend, then we wrap up the Spring Invincible conferences with our Northeast PA Mantour in Peckville the following week. Then we will film Adessa's new video curriculum in April, edit and produce them, head to MinistrieSummit in May, then begin traveling to speak in churches and at men's events all summer, all while our new office space is being built!

Speaking of which, I have dates open in August, so if you need pulpit fill during August, please contact me asap, I need to fill those dates up.

One final thing. If you are a current financial supporter, would you be willing to mention me to other pastors and churches you may know and ask them to join our support team? I would really appreciate your endorsement in this way. I REALLY need to raise our full budget, and would appreciate your help.

Reach Men With The Gospel?**

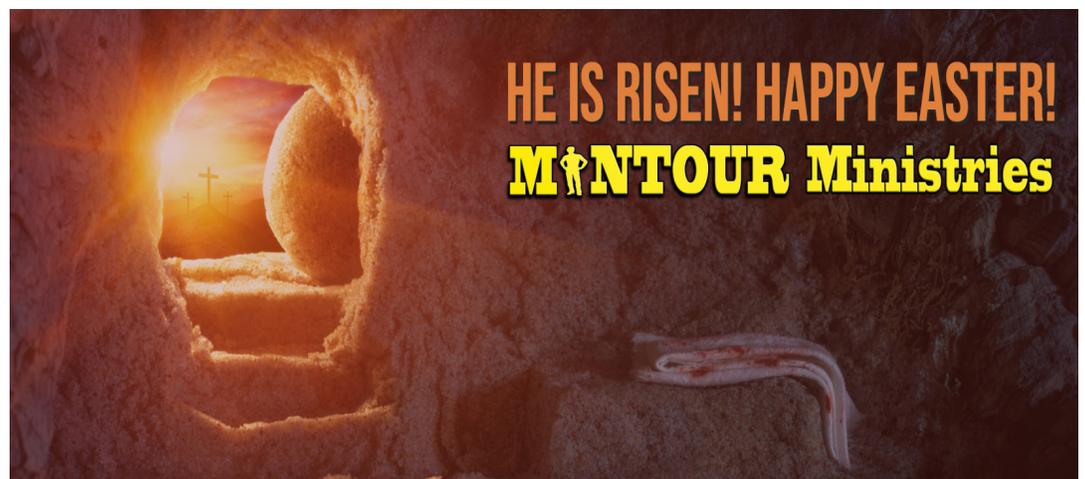

- 1. Pray:** Please Pray For Me As I Work To Reach Men Both Inside And Outside Of The Church
- 2. Go:** Go To Your Local Mantour Conference
- 3. Give:** Will You Consider Partnering Me On A Monthly Basis?

If you are reading this and are not one of our monthly financial partners, would you prayerfully consider becoming one? God has been moving so mightily and our ministry has grown so much in just the past year alone, and we need to raise our remaining 60% of our US Missions support budget so we can keep up financially with the growth of our outreach. God continues to grow the scope and reach of our ministry above anything I ever imagined and we are seeing so many men's lives changed. Pray that our financial reach would be equal to the call.

I am so grateful to God to allow me to do this ministry He has called me to do. I am also grateful for each of you who partner with us on a monthly basis. Your financial support allows us to continue reaching men inside and outside of the church with the Gospel. I also appreciate your continued prayer support for me, my physical issues, and the ministry. I couldn't do it without your prayer support.

Reaching men together,

Jamie Holden

PRAY REQUESTS:

We are so appreciative of your prayer support. Please pray for:

1. As always, please keep my physical health in prayer. I have really been struggling physically the past few weeks and covet your prayers. Pray that the Holy Spirit will give me the strength and pain relief to do what He has called me to do.
2. Pray for the remaining Mantour Conferences and for all the men who attend. Pray for the men to turn out like never before, and that God moves mightily in their lives as they climb the mountains keeping them from victory.
3. Pray that God supplies the finances needed for the 4One Ministries Office Space.
4. We have raised 40% of our monthly budget, and we still have 60% to go! Please pray that God will continue to speak to individuals and churches to partner with us on a monthly basis so we can reach our budget. Also, pray against discouragement as we keep moving forward on this missionary journey.

JOIN THE TEAM:

I am in need of individuals and men's ministries to partner with me as a Missionary Associate on a monthly basis. I work on Mantour Conferences and the Mantour resources full time year round, and would value your financial support.
