MANTOUR Ministries

Dear Friends,

Happy February! Man, January went fast, didn't it?!? It is hard to believe we are already in the second month of 2021. Soon winter and cold weather will be gone (yay!), and we will be warm again!

I am excited about what God has in store for Mantour Ministries in 2021! It is a different year for sure. Usually, we already would have had our first Mantour taking place and been preparing for Mantour #2. But this year, we are starting much later than usual. Our first Mantour isn't until the middle of March, and we are going much later than expected, with Mantours scheduled into mid-May. Our goal is to have in-person live conferences, and starting later removes us further from cold and flu season and allows for more vaccination and herd immunity. But it is weird not being full into Mantours now. Usually, I don't mind the loss of NFL games on Sunday because when it ends, Mantours start. This year I may miss it more.

But having the extra time to prepare ended up being a good thing as Adessa and I lost a month of prep time when we caught Covid; well, actually, Covid caught us! Yes, our entire family got the dreaded virus the first week in December. Both Adessa and I were not blessed with the mild, A-symptomatic version. We got the bad version with high fevers for 11 days, severe coughs, lost taste, and let's say we were grateful for a second bathroom in our new office space! If we had anywhere near an affordable deductible, we probably would have gone to the hospital. But God brought us through, and now we have antibodies!

One great thing did happen recently. We released our first-ever one-year Bible plan designed specifically for men. This free Bible Reading plan has six days of Bible reading and one day of devotional each week. We have received such a positive response from men as they daily use this plan to dive into God's Word. I can't wait for even more men to find out about this plan at our Mantour Conferences. We'd love it if you joined the plan and shared it with all the men you knew. You can sign up for our free, 365 day Bible Reading Plan at <https://www.mantourministries.com/bibleplan>

One great thing we all learned from 2020 is that we can make it through way more than we ever imagined. That gives us hope as we move into 2021 and whatever obstacles it may bring. God has always been faithful, and He always will be faithful.

Thank you to all those who also were faithful in supporting our ministry in 2020! You have no idea what it meant to us that you stayed loyal to us and our ministry in the middle of the biggest national crisis we have ever faced. You allowed us to continue doing what God created us to do.

...Continued on page 2

If you are not currently one of our monthly financial partners, 2021 is the perfect time for you to become part of the team. We have raised 55% of our monthly AGUS Missions support budget, and we need your help to reach the full 100%. As a ministry, we have done all we can financially to cut corners. We have stopped taking any benefits such as retirement, etc. The only benefits we still receive is health insurance. We have taken on additional work outside the ministry work, helping Christian authors publish their books and doing video work for other Christian ministries while doing our normal work of ministry. We put in longer hours in 2020 to keep the ministry afloat, doing whatever it takes to reach men and women with the Gospel. But we need more monthly financial partners to help keep us afloat financially. We need our ministries' finances to be equal to the breadth of the call God has given.

Will you pray about if your church could become a monthly financial partner with Adessa and I? We have raised 55% of our missionary support budget, and we MUST raise the other 45%. We would love to have your church join our financial support team as we continue to reach men and women inside and outside of the church with the Gospel.

If you cannot financially commit to becoming a monthly partner, would you pray about your church making a one-time donation to our ministry to help us through this challenging time?

I am asking you to please seek God and be open to His prompting. I know we are walking in God's will doing the ministry He called us to do, and we have done everything we can do to keep ministering and reaching people with the Gospel amid this pandemic. Will you pray about how you can help us move forward?

Thank you in advance!

I am so pumped for 2021! I know God has amazing things in store as we move through the rest of this year. I can't wait to get back out there with our Mantours as well as speaking in churches and men's groups again! While we are still living in crazy times, God is still on the throne, and we are still working as hard as we can to fulfill His call on our lives. I appreciate your continued prayer support for me, my physical issues, and the ministry. I couldn't do it without your prayer support. Keep us in prayer, and have a great August!

PRAY REQUESTS:

We are so appreciative of your prayer support. Please pray for:

1. Pray for health, healing, and strength for my body and for renewed energy after an exhausting few months and rebounding from Covid.
2. Pray for the upcoming Rise and Shine Mantour Conferences, for mens lives to be challenged and changed as they seek God at this event.
3. Pray for wisdom as we continue to move through all the challenges of Covid.
4. We have raised 55% of our monthly budget, and we still have 45% to go! Please pray that God will continue to speak to individuals and churches to partner with us every month to reach our budget. Also, pray against discouragement as we keep moving forward on this missionary journey.

JOIN THE TEAM:
