

Reaching Men Inside And Outside Of The Church With The Gospel!

Dear Friends,

I am so happy that November is here! First off, it means the election commercials end! Second, it means I can put up our second Christmas tree in a few weeks (I must admit we already put up our little tree and decorated it in red, white, and blue for the election). It also means that 2020 is almost behind us, and we soon move into 2021.

I am really looking forward to 2021 and getting back onto the road with our Mantour Conferences. Even as I type this newsletter, I just received the new book's proof to go along with our 2021 Mantour Conferences...more about the book later in this newsletter.

In 2021, our new Mantour theme is "Rise and Shine." I truly believe that it is time for God's men to throw off all complacency in their lives. Too many men have stopped moving, stopped growing, whether it be because of a hurt, a fall, a struggle, or failure, and they have stayed down. It is time for them to rise, to get back up, to gain victory, and move forward.

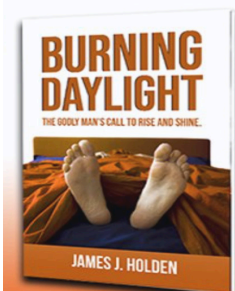

These men need to remember they were called to shine bright in a dark world. We **MUST** be the light amid the darkness. We must know what we believe, why we believe it, and then stand firm and share it with the world. Too many are lost and dying, and we need to reach them with the hope that we have. We can't keep burning daylight. We must rise and shine!

So that is this year's Mantour theme. To go along with the theme, we will be offering three new workshop topics:

1. God Time: Developing Your Devotional Life
2. Priorities: Making Time For What Matters
3. Shine Bright: Sharing Your Story With Those Around You

I am itching to get back on the road with Mantours and cannot wait to get back out there with the men!

To go along with the conferences, I am happy to announce my newest book, "Burning Daylight: The Godly Man's Call To Rise And Shine" will be available in a matter of days. This is the seventh book we have written, and it is vastly different from any of the other ones. In my opinion, it is the most important book I have written. The message is so vital! In part one, we discuss the need to rise as men of God. We talk about some unpopular but vitally relevant topics and sacred beliefs of Christianity.

...Continued on page 2

In this section, we discuss Heaven and Hell, the Rapture, spiritually dressing for victory, realizing that past failures don't need to define us, and the need to have deep Biblical convictions that we will stand firm on no matter what the world says. Part two discusses how we shine. We address the need to shine for life, shine for healing, shine for truth, shine for purity, how to shine against darkness and witchcraft. We also address shining amid persecution.

This book is vital for men in a day and age when the progressive movement is distorting the Bible and Biblical Christianity. Men need to know what they believe, what the Bible says, and how to rise and shine! The book will be available in paperback, ebook, and audiobook formats.

Something else we are excited about in 2021 is our new, one-year Bible reading plan "Burning Daylight". This free, 365 day Bible reading plan for men will feature six days of Bible reading and one day of devotional each week for fifty-two weeks. I truly believe men need to know what they believe and to have a Biblical standard in their lives.

The only way to do this is to know what the Word of God says, and the only way to know what the Word of God says is to read it. We designed this Bible reading plan for 2021 for men to work through individuals or groups. It is free, and they can sign up for it at www.mantourministries.com/Bibleplan.

We kicked off promoting this Bible plan at the PennDel/Potomac Endurance Men's Conference. It was so cool to see it on the ginormous screen at Christian Life Assembly. You could scan the QR code all the way from the lobby! We are grateful to PennDel Men's Ministry, PennDel LFTL, and Adventuremen Ministries for partnering with us in this endeavor by promoting it to their men. I will include a button below to download a slide that you can use at your church to promote this FREE plan to your men in your bulletin or video announcements.

As you can see, we are busier than ever, doing all we can to reach men inside and outside of the church with the Gospel. God has been so faithful to us this year, and we can't wait to see what He has in store for 2021!

One final thought for you as we end this newsletter. We were so blessed to just have another church decide to partner with us financially on a monthly basis. We have raised 50% of our AGUS missions budget, and are slowly chipping away at the second half. For those who are already part of our financial support team, THANK YOU! We appreciate your support and especially your faithfulness in giving during this Covid-19 crisis. We pray for you regularly and are so grateful for you and your heart to assist us in reaching men with the Gospel!

For those who have yet to partner with us financially, there is no time like the present. If God is speaking to you and encouraging you, along with your church, to join our financial support team, follow His lead and be a part of what He is doing! We would LOVE to have you join us! All you need to do is go to s1.ag.org/jamieholden to set up your recurring payment online, or you can download the Faith Promise Form, fill it out, and send it in. \$50, \$75, \$100, \$200-whatever amount you can give each month will help us tremendously!

Thank you so much for all out there praying for us as well. Your prayers mean more to me than you will ever know!

I hope you have an amazing November, a joyous Thanksgiving, and that you continue praying for us as we head forward into 2021.

Happy November, Happy early Thanksgiving!
