

Reaching Men Inside And Outside Of The Church With The Gospel!

Jamie Holden
AG US Missionary Associate

Dear Friends,

Happy May! How in the world is it May already?!? It seems like we JUST kicked off our 2022 Spring Ignition Mantour Conferences, and now it is May, and the Spring Conferences have ended! (Although in full disclosure, I'm writing this newsletter BEFORE our Greater Philadelphia Mantour, I'll tell you about that one next month!)

We have had an AMAZING year of Spring conferences. We have had men accepting Christ, men flooding the altars to pursue a deeper walk with God, and men being set free! Man, I love doing the ministry God allows me to do!

April was an amazing month of Mantours, starting the month with our Central PA Mantour. It was such a great event. We were so happy that Pastor Brad Price and his worship team from Connect Church in Alum Bank could join us to lead the men into worship...they did such a great job!

Pastor Jeff Marshall brought a strong challenge to the men in Session One! He shared with the men that God never called His sons to stop or be complacent. We are called to GO and function under the power of the Holy Spirit. Pastor Jeff said, "Boogity boogity boogity, let's go racin' boys! Let's do God's work". The altar was packed for his altar call as the men responded with a desire to be filled with more of God's power!

Pastor Mark Caston shared a workshop message with the men, encouraging them not to be an island, but to welcome people into their lives. Duane Goodling shared with the men how to identify the lies of Progressive Christianity so that men don't fall into its trap. Both men got great reviews from the guys who attended. I was honored to wrap up the conference again and was so encouraged by the response of the men as they committed to Ride or Die with God!

We were off the road for the next two weeks as churches did Easter outreaches on Palm Sunday, and they held their Easter services the following week. I won't lie and say I didn't enjoy a chance to get rested up for the final push of conferences, but I did also really miss being out there with the men on Saturdays!

...Continued on page 2

Next up for us was the North Central PA Mantour. This year it was held at New Covenant AG, and they were such a great host! Check out the great car the host pastor provided for the guys to view, it really enhanced the theme!

In Session One, Pastor Brad Price (second shoutout for Brad in this newsletter, lol) shared about Riding or Dying together like Jonathan and His armor-bearer did in 1 Samuel. Brad is such a great communicator, and he connected with the men. He had a great response to his message!

Pastor Wayne Schaffer once again shared the dangers of Progressive Christianity in his workshop Ride or Die for Truth. We wanted to make men aware of this dangerous false doctrine this year because so many believers are being led astray by this doctrine that resembles true Christianity but is fraught with lies and deception. Wayne did such a fantastic job of pointing out the red flags of this false religion! He nailed it!

Our other workshop, Ride or Die for Biblical Manhood, was also amazing. Pastor Walt, a fantastic communicator and a great partner for Mantour Ministries, did an amazing job sharing this topic. Walt shared an excellent presentation on what it means to be a Biblical man by speaking on Daniel and his refusal to abandon His God, no matter what it cost! I love Walt, and it's an honor to serve with him!

I, of course, wrapped up the final session sharing about the need to fully commit to ride or die with God. Poor Pastor Brad, though. This was his THIRD Mantour, and the third time he heard me deliver this message, lol. Once again, men responded to this challenge, and I believe lives were changed.

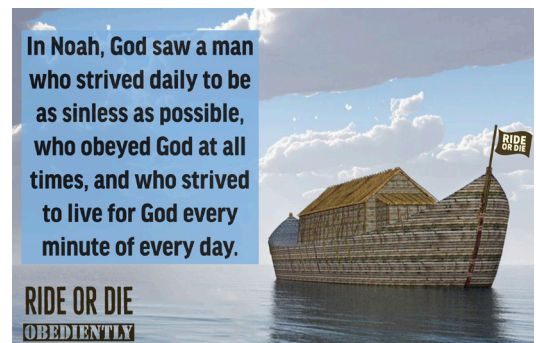

As I said, the Philly Mantour is on April 30, so I can't write about that one and get this newsletter out on time, so I'll be sure to tell you about what God did at this Mantour next month!

I am a bit sad that the 2022 Spring conferences are ending, I LOVED this theme, and there was such enthusiasm among the men this year. It was a truly amazing season! But I am also excited to get back on the road sharing at individual churches. This year, God has given me a word to challenge His people to commit to obeying Him and His Word. I truly believe the church today needs to be committed to obeying God and His Word no matter what the world around them says or thinks. Using the story of Noah, I share how Noah was a man who lived a life of obedience to God, and because of this, God used him to save humanity.

In the message, I state, "When God saw Noah, He didn't see a perfect, sinless man. But what He saw was a man who strived daily to be as sinless as possible, who obeyed God at all times, and who strived to live for God every minute of every day. Noah made a conscious effort to be different from the evil people around him. He intentionally lived a faithful and obedient life to God. Even when everyone around him pursued filth and sin, Noah determined to ride or die with God!"

I am so happy about how full my summer and fall schedule is. It is going to be great sharing with the churches. I have a few remaining dates available, and I would love the opportunity to share with your church. Because I am a part of AGUS Missions Church Mobilization, we do not have a set fee to speak. We do ask for a love offering and, depending on the distance, for you to pay for a hotel room for the night.

If you are interested in having me come and share, please get in touch with me, and we will get you on our schedule.

I want to end this message by thanking all of our monthly partners who help us do what God called us to do. You have been faithful to supporting the ministry, and it means the world to me. This year, we had people giving us gas cards for almost every Mantour we did. How awesome was that as gas prices soared while we traveled to reach men! We are grateful to everyone who invests financially in the work we do. We literally can not do it without you, so thank you!

If you are not currently one of our monthly financial partners, WHY NOT?!? 2022 is the perfect time for you to become part of the team. We have raised 55% of our monthly AGUS Missions support budget, and we need your help to reach the complete 100%. We need our ministries' finances to be equal to the breadth of God's call.

Will you pray about if you and/or your church could become a monthly financial partner with Adessa and I?

We would love to have you and/or your church join our financial support team as we continue to reach men and women inside and outside the church with the Gospel.

If you cannot financially commit to becoming a monthly partner, would you pray about you and/or your church making a one-time donation to our ministry to help us through this challenging time?

I ask you to please seek God and be open to His prompting.

I believe the best is yet to come for this ministry. I am excited to start working on the 2023 Mantours! The theme is set (I'm gonna keep you in suspense on that one for now), we are almost completely rebooked, and we are going to try and do more locations in 2023! The new book is starting to come into form in my head, and we are going to try and do another Bible plan in paperback form. A lot is coming up in the coming months! Thank you for your support as we head forward to YEAR TEN of Mantour Conferences!

PRAY REQUESTS:

We are so appreciative of your prayer support. Please pray for:

1. Please pray for upcoming Teen Challenge Mantour this August. This will be our first time back at Teen Challenge in Rehrersburg since the Covid Shutdown, pray that the men are blessed and lives are changed.
2. Please pray for wisdom and vision as we begin planning for the 2023 Mantour Conferences and for God to open doors for expansion into new areas.
3. Please continue to pray that God will completely heal my body of the neurological disease causing so much pain in my foot. Also pray that God heals the injury to my bicep. You all know I'm ride or die for Men's Ministry, but it would be great to minister without pain.
4. Would you please pray for God to move hearts so we can raise our full missionary budget? There can be no more delay. It must be done. Also, please ask God how much you can give to our ministry monthly and then obey what God tells you to give.

JOIN THE TEAM:
