

# Reaching Men Inside And Outside Of The Church With The Gospel!

 **MISSIONARY**  
CHURCH PLANTERS + DEVELOPERS

Dear Friends,

**Happy September! September is always a bittersweet month for me...I love summer, the longer days and warm weather, but I also love the Fall Ministry schedule. We have the New York Mantour, speaking at churches and men's breakfasts, the District's Men's Conference, and so much more happens in the Fall. But before we go full speed into Fall, allow me to share about our August.**

**This was a very different August for us. For one thing, we were in the middle of our construction project when the clock rolled from July 31 to August 1. I also kept my travel schedule light because once the contractor finished, we had a lot of work to do to finish our office space.**

**I did speak at one church the first weekend in August. I was so happy to share with El Shaddai Assembly. Adessa wasn't feeling well, so I made the trip solo. I had a great time sharing the Word God had given me, and I really enjoyed getting to know this congregation better. They were such warm, friendly people.**

**As soon as this Sunday was over, I switched over to a construction worker. We could only afford to pay the contractor to do the work to a certain point, then we did all the finishing work. So for most of August, we were covered in paint, sawdust, and drywall dust as we finished our new office space project.**

**To be honest, we never could have finished the work without the help of good friends and ministry partners. Because of my disability, the work went slower than I would have liked, but my body could only do so much at a time. That is why I was so appreciative of the help we received.**

**We were so blessed by our good friends and ministry board members, Joey and Lori Culen, when they drove two hours to spend the night painting ceilings and trimming out the paint on the top of the walls for us. I couldn't do it because of ladders and my disability, and they came while in the middle of their own ministry construction project to help. We are so grateful for this!**

**We were also blessed to have 4 guys from the Peckville Assembly of God Men's Ministry come down and spend a day working on the room. These amazing men trimmed out the entire room, they built our custom desks for us, and they installed the screen doors for us. It would have taken me a week or two to do everything they did in one day!**

**After they finished, Adessa and I worked tirelessly to get the room's final punch list done. It was a crazy busy, exhausting month, but all the blood, sweat, and tears were worth it to finally have dedicated office space for our ministry! Look at the pictures on page 2, it looks better than we ever imagined! Plus having a second bathroom has been so great!**

**I didn't just work in the room all month, I still was actively doing the work of the ministry as well. I published a book for a pastor, helping him turn his words into a finished product from which others can read and learn. I worked on the NY Mantour as well as getting ready for the 2020 Mantours, hiring speakers, working on promos, etc.**

**...Continued on Page 2**

August was hectic and exhausting, yet it was such a monumental month for this ministry! We never could have the possibility of office space if it wasn't for each of you who support us monthly! Thank you to everyone who supports us both financially and in prayer. We could never do this work God has called us to do without your help! Thank you for believing in this ministry and please keep praying for us!

Reaching men together,

Jamie Holden

**Check Out Pictures of our New Office Space! Your Financial support helped us be able to have this amazing space as our ministry continues to grow...so THANK YOU!!**

# PRAY REQUESTS:

We are so appreciative of your prayer support. Please pray for:

1. Pray for the New York Mantour Conferences and for all the men who attend. Pray for the men to turn out like never before, and that God moves mightily in their lives as they climb the mountains keeping them from victory.
2. Please pray for the upcoming Strength Men's Conference on October 18-19 at Christian Life Assembly in Camp Hill, PA. Pray for men to turn out in record numbers, and for men's lives to be revolutionized around the altars.
3. We have experienced some difficulties getting our books into one or two prisons that we regularly give to because of legal red-tape...please pray for these doors to be open to us so we can continue reaching these inmates.
4. Pray that God supplies the finances needed for me and the Ministry. We have raised 48% of our monthly budget, and we still have 52% to go! Please pray that God will continue to speak to individuals and churches to partner with us on a monthly basis so we can reach our budget. Also, pray against discouragement as we keep moving forward on this missionary journey.

# JOIN THE TEAM:

I am in need of individuals and men's ministries to partner with me as a Missionary Associate on a monthly basis. I work on Mantour Conferences and the Mantour resources full time year round, and would value your financial support. Will you prayerfully consider partnering with me and with Mantour Ministries on monthly or yearly basis?
