The 2015 Teen Challenge Training Center Mantour

This past July, we had the privilege of holding a pro bono Mantour Conference at the Teen Challenge Training Center in Rehrersburg, PA. It was great to be able to be a source of encouragement to these men as they endeavor to start a new path in life. Going forward we have more opportunities to hold pro bono conferences at various halfway houses and Teen Challenge Centers on the East Coast. We could basically take the same conferences we hold in churches to these facilities to minister to men in need of a touch from God. We need your financial support to make these opportunities a reality.

**New For 2016
Ticket Blocks!!**

**\$250 for
20 Tickets**

**Use the savings
to bring an unsaved man
or a new man in your church!!**

New for our 2016 Mantour Conferences, we will be offering a block ticket option for registration.

Our goal in offering this is to encourage churches to buy a few extra tickets and pass them on to an unsaved man or a new guy at your church to help them connect with the other men in the men's ministry.

Many of the best testimonies from last year's Mantours resulted from churches having an extra ticket and giving it to a man who otherwise wouldn't have attended.

For example, at one conference, we had a man attend our conference from our host church. He had visited the church for the first time the week before the conference, and the pastor announced he had an extra ticket, for anyone who wanted to use it. This man felt led to take the ticket. He came to the conference, accepted Christ as his Saviour, and then went to the workshop. During the workshop, he felt convicted, spoke to the speaker, and the speaker spent an hour after everyone else left speaking with this new believer and pouring into his life. This was a life changed, all because the church bought a couple extra tickets!

Our hope is to have churches use this block option, invite men to come, and see men's live change!

A Personal Message From Jamie Holden

I want to thank you for taking time to read over this newsletter. God has been doing so many amazing things through Mantour Ministries, and we are excited to share them with you and give you a chance to get involved by partnering with us.

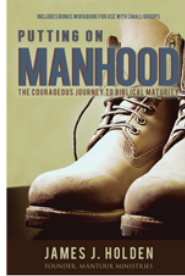

A lot of people may not be aware of it, but Mantour Ministries is completely funded by our conference registrations and the support of churches and other partners, just like you. Our conferences and ministry is not supported financially by any district or denomination.

I am blown away by all God is doing through Mantour Ministries, but with this growth comes new financial challenges. We would be very grateful for your financial support as we continue following God's lead and endeavor to strengthen and encourage men and men's ministries.

Again, thanks for reading this newsletter, we look forward to partnering with you in the work of Mantour Ministries!!

Mantour Ministries Curriculums and Resources

Mantour Ministries is dedicated to encouraging Men's Ministry in the local church. Along with the Mantour Conferences, God has given us another goal...releasing new curriculum to go with each conference theme. We are excited at the prospect of men coming to the events, being blessed, and then having a curriculum they can take home with them and implement in their church's men's ministry. Your financial support allows us to produce these curriculums. We are happy to announce that we are currently working with our publisher on a brand new book to go with our 2016 Conference Theme, Legacy: Living A Life That Lasts!

Mantour Ministries has been able to donate our books to prisons and halfway houses. In 2015, we partnered with Wayne Wilson and prison chaplains to donate books to six different prisons. One Chaplain is working chapter by chapter through Putting On Manhood with the men in his prison.

Going forward, we have opportunities to hold pro bono conferences at different halfway houses and Teen Challenge Centers on the East Coast. We would love to be able to put a copy of Mantour Ministries' books into the hands of every man who attends our Pro Bono Conferences. We need your financial support to make this possible!

Will you partner with us so we can continue to produce these resources?

Specific Areas Of Need:

Along with all the opportunities listed in this newsletter, we need help with some specific needs:

1. We **DESPERATELY** need a laptop and equipment that can handle powerful video editing programs, allowing us to continue producing our conference and teaching videos in-house.
Cost: \$2,500 for this equipment.
2. \$1,000 to purchase copies of our new book which goes with our 2016 Conference Theme.
3. Books for men in prisons and halfway houses
Cost: \$10 per book

Mantour Ministries is completely funded by our supporters and conference registrations...God is expanding our ministry, and we are seeing men come to Christ for the first time, men rededicating their lives to God, and men pursuing mentorship and discipleship in their churches and their lives. God is moving mightily among men, and Mantour Ministries is on the front line of this battle to reach men.
